1. Scorecard

Each measure against its target, computed from logs, timetable, syllabi and assessments.

Measure	Target	Actual	Status	Note
Course enrolments	Every section's strength recorded	**10072 seats**	OK	130 of 130 sections have a strength; a student in five courses counts five times
Sections running	Every planned component allocated	**130 sections**	Critical	50 allocation mismatches (15 without an owner)
Syllabus pacing	≥ 90% of sections on plan	**63% on plan**	Critical	130 of 130 sections have a syllabus; 48 behind
Class logging	100% of timetabled classes logged	**87% logged**	Watch	9 faculty not logging; 0 without a timetable
Continuous assessment	3 per section	**1.2 / 3 held**	Watch	1 due by this week; 114 of 130 sections on schedule
Remedial plans	Filed for every section that needs one	**9 / 53 filed**	Critical	Needed when ≥ 2 topics behind or > 15% score under 40%
Course files	Submitted for every section	**39 / 130**	Watch	From the COURSE_FILE deadline

6. Continuous assessment and remedial plans

Assessments held

Each section is to hold 3 continuous assessments this semester.

Assessment	Sections done	Class average
CIE-1	114 / 130	64%
CIE-2	48 / 130	63%
CIE-3	0 / 130	—

Remedial plans

Required when a section is 2 or more topics behind plan, or when more than 15% of students score under 40% in an assessment.
